

Step 8: Made a list of all persons we had harmed, and became willing to make amends to them all.

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Chair Chatter September 2011

Here it is nearly September...my how the time flies. September is a month of endings and new beginnings. Summer's ending and Fall begins, hopefully the weather will cool down. Has your program taken a vacation over the summer? Have you had slips...missed meetings...no phone calls... not helping newcomers...no journaling? Has abstinence eluded you? Are you in contact with your H.P. each day?

If this sounds all familiar to you...You might need a change...Try getting to an extra meeting...Pick up the phone and make an outreach call...Remember to call your sponsor!! ...Volunteer for service... If lack of faith in the program has been plaguing you, maybe it's time to get closer to your H.P. You may ask, "How do I do that?" Surrender...Trust...Pray...Let go of control so we can heal...Dust off your Big Book, 12 and 12, even your Workbook...start reading and writing just a little each day... As my "old" sponsor used to say "Just do it" It doesn't have to be perfect... All of the above will help you find serenity and peace "Beyond your wildest dreams." You may say to yourself, "How does she know this?" At one time or another I have fallen victim to vacationitis...this is my remedy for this disease!

Here are some great thoughts to digest:

Compulsive overeating is committing suicide on the installment plan.

Unwillingness to forgive is like drinking poison and hoping the other person dies.

If faith without works is dead...then willingness without ACTION is fantasy.

See ya at the Intergroup meeting!

(3rd Friday of the month...Morton Plant...Tuttle Auditorium, next to the cafeteria... 6:30)...it's a great way to do service!!!

Linda H.

P.S. We had a great retreat weekend...Looking forward to next years...mark your calendars for the second weekend in August!!!

Meeting lists need to be upgraded, Linda Mc volunteering to take it to clean it up

Linda H said let's put it back the way it used to be. Discussion to keep it monthly...
