

**Step 3: Made a decision to turn our will and our lives over to the care of God as we understood Him.** The first requirement is that we be convinced that any life run on self-will can hardly be a success.

**Tradition 3: The only requirement for O.A. membership is a desire to stop eating compulsively.**

From the Chairman

Tradition 3

“The only requirement for OA membership is a desire to stop eating compulsively.”

When I came into OA I didn't think that I was a compulsive eater – that I was as bad as everyone in the room and that it would work. My desire was to prove that it wouldn't. I was also a people-pleaser and afraid of my sponsor so I did what she suggested and I started to lose weight. The miracle of program is that I am able to keep it off. Most important for me, I had to stop eating compulsively and know what my trigger foods were. From that point the tools were necessary, not just 1 or 2 or 5 or 8 but all 8 for my recovery; then the steps. The real work was there. The food was down, the tools were being worked and the steps were the insurance. I had to change or I would go back.

For all the newcomers and those returning, we welcome you home. We need you so that the message will remain alive. Coming back or coming to the first meeting is hard but know that if you desire the freedom from compulsive eating, we are here waiting for you – to help, encourage, and show that if it worked for us, it will work for you.

Karen C.

Chairman PTI

Hi OAer's,

I'm ramping up this year's campaign to subscribe to Lifeline. If we get 6 subscriptions, we get free literature from OA 😊 Last year we got 2 books. This year I'm hoping for three! If you don't already subscribe, or if your subscription is running out please order one now. It's a great meeting in your pocket, keeps you from isolating and who know sometimes you might connect with one of the stories.

You can subscribe 2 ways....You can subscribe to an online copy (\$13) or get a hard copy mailed right to your door (\$23) Just go to [oa.org](http://oa.org) and click on the dropdown for Lifeline. Ask your doctor or therapist if they would like a copy for their office. PTI will gladly pay for a subscription. Send the names to me and WA LA they will have a subscription.

Let's make this a better year than last!!!

Love, in Service

Linda
