Tradition 10: Overeaters Anonymous has no opinion on outside issues; hence the O.A. name ought never be drawn into public controversy.

PTI Chairman

Tradition 10

Overeaters Anonymous has no opinion on outside issues; hence the O.A. name ought never be drawn into public controversy.

We have always heard never to discuss politics or religion - that they are sources of personal conviction and beliefs. But what about other programs dealing with weight, or other 12 Step programs; are they outside issues? We don't endorse other weight loss programs but many of us have experienced different ways to control our weight and they are part of our story. In the context of our stories mentioning the ways we have tried to control our eating before OA is appropriate. It is not an endorsement.

We are careful to carry conference approved literature for use and sale at our meetings, if, someone personally uses different literature than that is their choice.

If we do public outreach does that mean we endorse the college, health organization, or church that is holding the event? Our primary purpose is to carry the message. We go where we can be of maximum use and reach those who still suffer. What is your opinion?

Respectfully submitted

Hi OAer's,

Our treasury is getting low.....in order to carry the message of recovery we need to start doing some fund raisers.

This is the first two in a series that PTI is organizing. Our contributions are being put to good use.

It allows our region rep's to bring back information from Region 8 and World Service. Our self supporting contributions also support PTI (60%), World Service (30%) and Region 8 (10%) .

PTI is looking for help on some of the upcoming projects. The littlest thing ..like showing up at an IG meeting, making a sign or a flyer on the computer..wrapping a basket..selling raffle tickets..passing out the flyers. There are a million small things YOU can do to help. We need your help! Please announce at your meetings the need for people to show up at intergroup.

Is OA saving your life???? How about saving its life! If no one is involved, the fellowship will die in this area.

It states in Tradition One, Our common welfare should come first; personal recovery depends on OA unity. It is each member's responsibility to protect the OA spirit of unity and mutual support.(12&12 pg.111) All members share a responsibility for the operation of OA.(12&12 pg.123)

Come to the next PTI meeting, the third Friday of each month, Morton Plant Hospital, Tuttle Auditorium (next to the cafeteria). Find out about the projects on the agenda.....see if you can help!

Thanks, Linda H. Treasurer
